Wiske, het is mooi weer.  
Ik ga een spectaculaire  
natuurfoto maken.

Ik ben  
benieuwd.

Dit wordt het kiekje  
van de eeuw.

KLIK!

OEPS, dat konijn  
springt net uit beeld.

KLIK!

HO! Wat een  
pech.

RIBB...

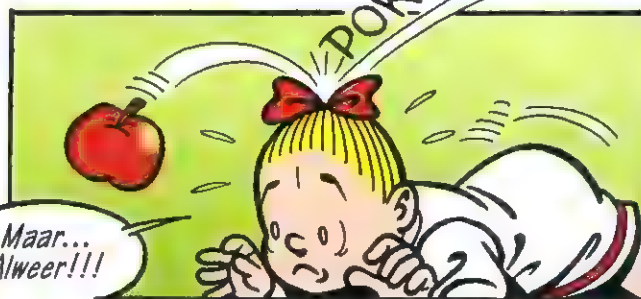

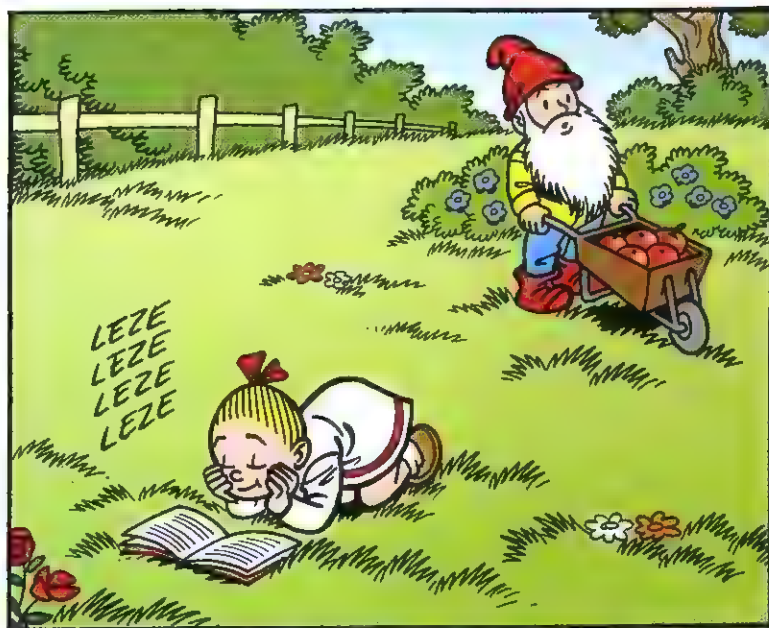

KLIK!

Maar hoe is het  
mogelijk, weer  
mislukt!

Is dat nu die  
spectaculaire  
natuurfoto, een  
koeienvijg?

Heu... ja, die  
bleef tenminste  
liggen.

Wiske, ben jij nog lang bezig in de badkamer? Ik moet mijn kammetje hebben.

Dank u, en een paar velletjes toiletpapier ook nog.

Alstublieft, zeurpiet!

... en mijn tandpasta was ik ook nog vergeten.

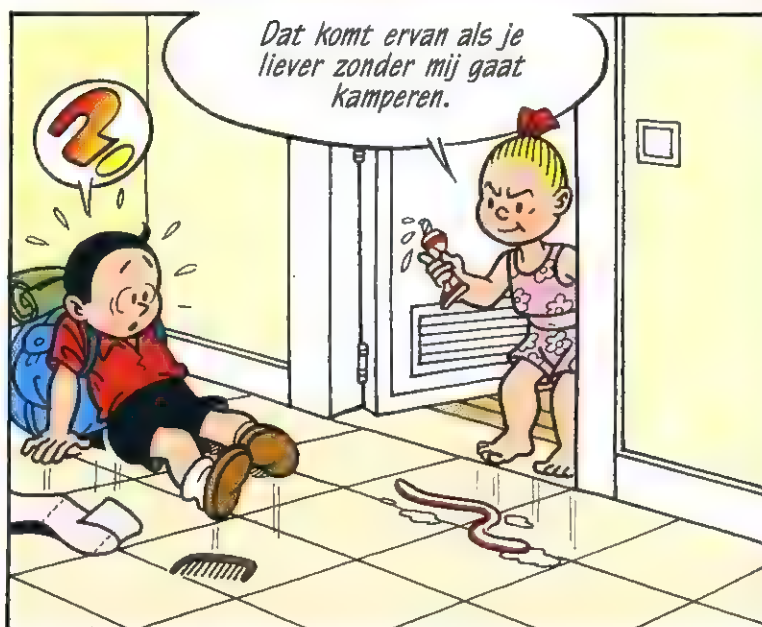

Komt eraan!

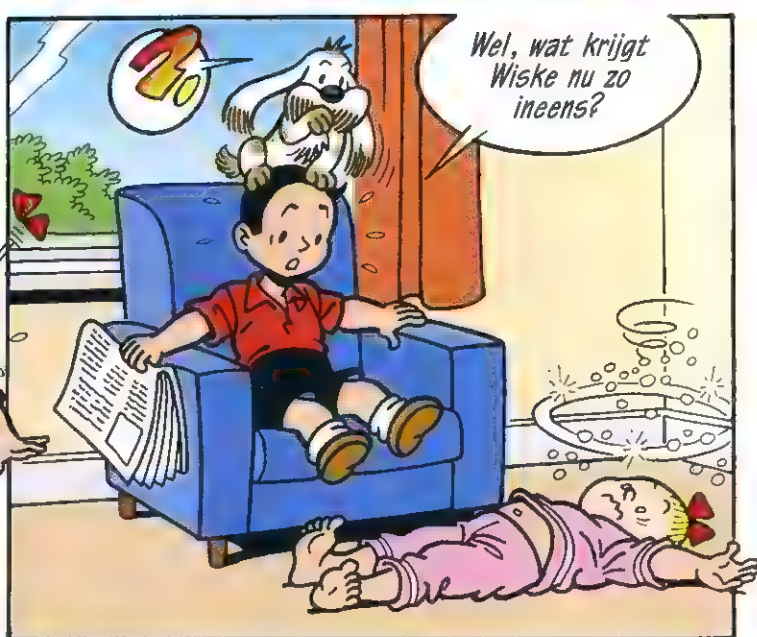

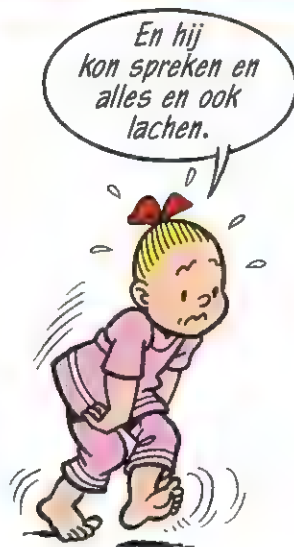

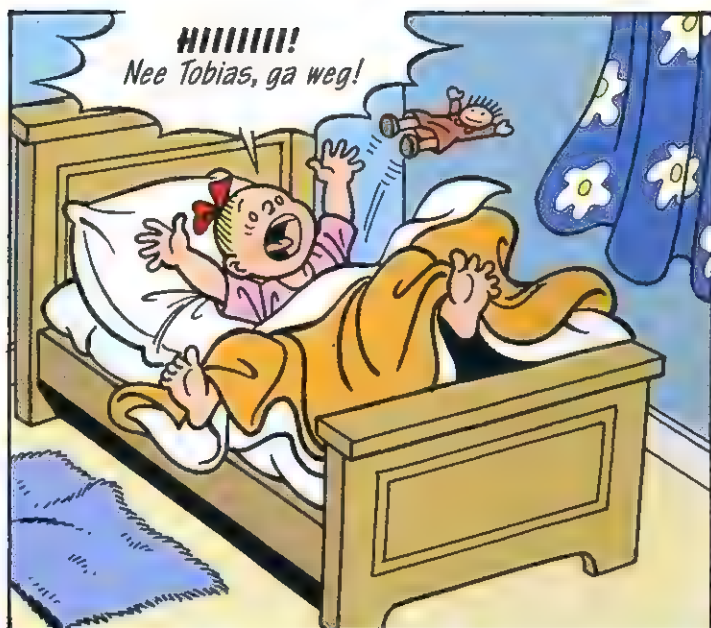

Hier zie!

Dat komt ervan als je liever zonder mij gaat kamperen.

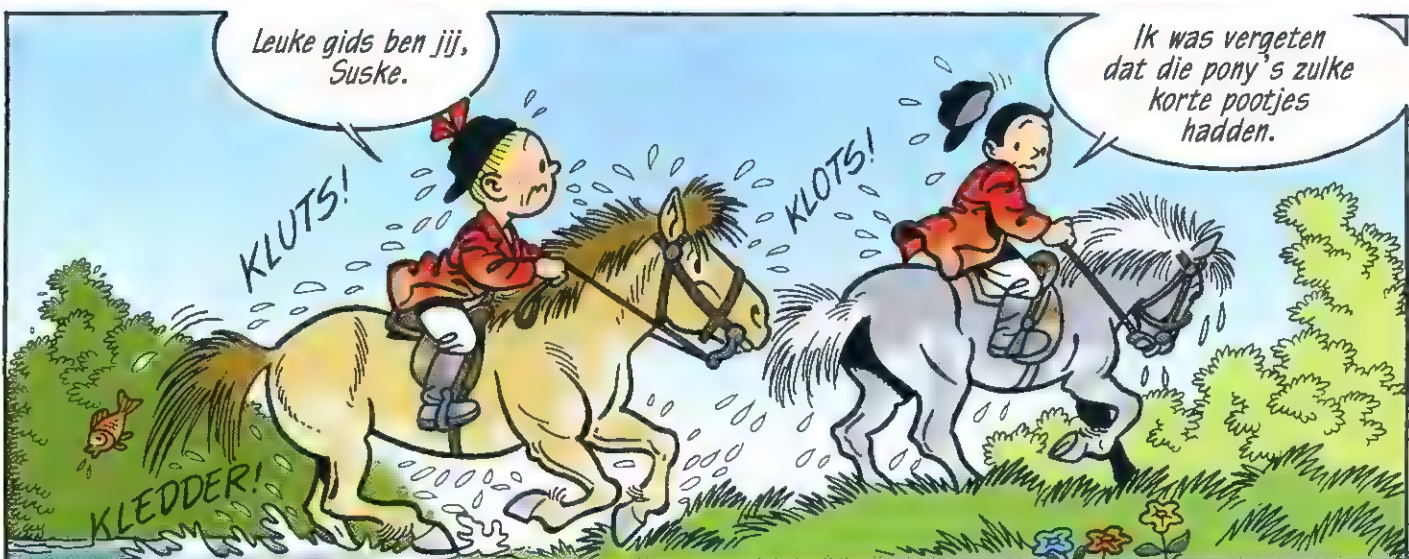

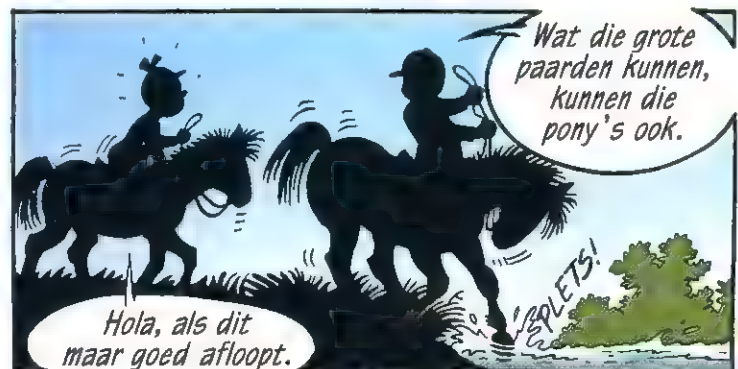

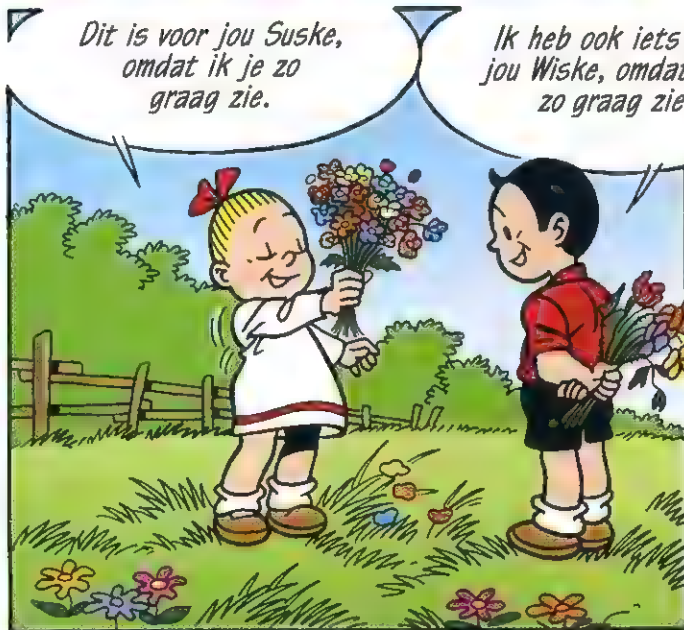

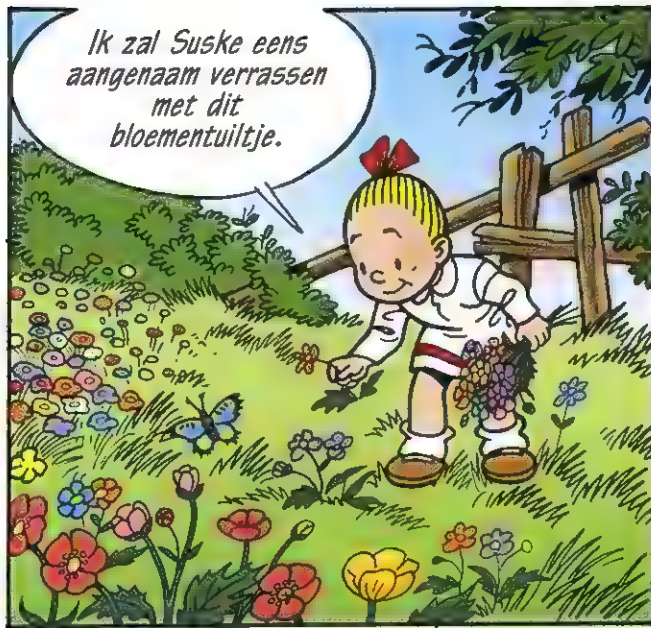

# Paardje plons

# Lintjes knopen

Hier in het uilenbos kun je makkelijk verdwalen, maar met deze lintjes vind ik gauw de weg terug.

Later word ik boswachter, want ik hou heel veel van bomen.

Kijk eens wat een mooi lintje daar hangt, Witje.

We zullen maar beter terugkeren Tobias, al mijn lintjes zijn op.

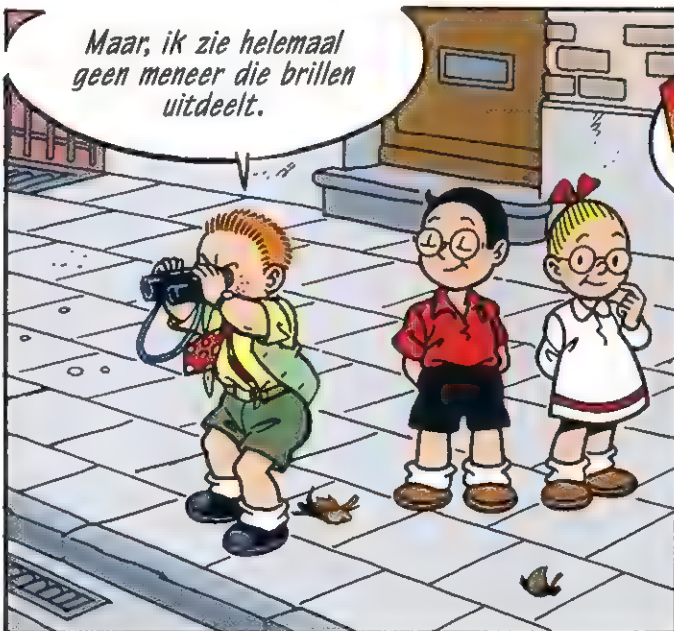

Kijk eens, Suske, wat ik onderweg gevonden heb.

Maar Wiske, nu raken we nooit meer thuis!!

# KLEIN SUSKE EN WISKE

In deze verhaaltjes van telkens één pagina zijn  
Suske en Wiske twee kleuters van een jaar of  
vijf-zes die plezierige avontuurtjes beleven.

De grapjes zijn sterk visueel,  
waardoor ze al door jonge kinderen  
begrepen kunnen worden.

Veel plezier met dit schattige duo!

Kijk alvast uit naar deel 4!
